

## About Us

Our mission at MerciTech is simple. Business or Residential, we are here to provide the customer with an affordable and practical Computer Repair and Web Solutions. Anything from Virus/Spyware Removal to Laptop Repairs, we work to provide you with a cost effective computer repair and web solutions that not only makes sense technically but also financially.

Many computer repair companies only focus on one thing - that is achieving thier numbers without questioning quality of service. We do not sacrifice Quality Service for Volume. We work hard to provide you with a high level of Computer Repair Services to improve any small businees or home office environment.
